<sup>7</sup>CFS 470 requires a cumulative GPA of 2.75; completion of all prerequisites enforced by the registration system; a minimum grade of C in all child and family studies courses; completed application; student conduct and criminal background clearance. CFS 470 must be completed in one semester.

### **Universal Tracking (uTrack) Requirements**

Universal Tracking (uTrack) is an academic monitoring system designed to help students stay on track for timely graduation. In order to remain on track, students must complete the minimum requirements for each tracking semester, known as milestones. Milestones include successful completion of specified courses and/or attainment of a minimum GPA. uTrack requirements only affect full-time, degree-seeking students who first entered Fall 2013 or later. uTrack does not apply to transfer students who entered prior to Fall 2015.

### **Progression Requirements for Returning, Readmitted, or Transfer Students.**

1. Attain a minimum grade of "C" in all CFS courses and all teacher education courses, a minimum GPA of 2.5 in the major, and a minimum GPA of 2.8 in professional courses.
2. Apply for the practicum and complete the application *one year prior* to the intended practicum semester. Students must have a 2.75 cumulative GPA (including transfer credits) to register for the CFS practicum.
3. Complete the self-disclosure forms allowing the university personnel to obtain student conduct and criminal background information *one year prior* to the intended practicum semester. The Department's Undergraduate Committee will evaluate any negative background check.

### **Early Childhood Education Teacher Licensure Preparation (PreK-3)**

The Child and Family Studies major can provide the undergraduate preparation needed for a student who would like to be licensed to teach Early Childhood Education in the State of Tennessee (PreK-3). The Early Childhood Education licensure option is offered in conjunction with a Master's degree in Child and Family Studies (Early Childhood Education concentration). Students who wish to pursue this option must take the Early Childhood Education licensure (PreK-3) specialty area and the CFS 470 practicum as an undergraduate. Upon completion of 60 undergraduate hours and while enrolled in CFS 350, students will apply for admission to the CFS PreK-3 Early Childhood Teacher Education Program. (see details in the teacher education section of this catalog) with a major in Child and Family Studies and the opportunity to earn a Master's degree in Child and Family Studies. Students interested in this option must work closely with their academic advisor to ensure that they understand and follow the application process, and that they follow the current licensure requirements determined by the college and the Tennessee Department of Education.
